Snapshots of wicked problems

Sanjana Hattotuwa

ICT4Peace Foundation

What will shape violent conflict?

A state of constant conflict, engineered violence

Amplification
Focus
Distraction

Invisibility of manipulation indivisible from media

Challenges of 'regulating' conflict

Seeing the tip of iceberg as the whole

Public   Visible

Private Hidden

Future of UN and peacekeeping

Where is the Global South as agentive actors, not just as voiceless victims?

Role, reach, relevance

Thank you
